MEMORANDUM FOR: OTR Unit Chiefs

SUBJECT : Cover and Security Review

REFERENCE : Minutes of the 4 Sep 75 OTR Staff
Meeting, Para. 5

1. You will recall that during the referenced Staff Meeting, the review of cover and security problems was discussed. It was decided that each Unit Chief would prepare a brief statement concerning any problem areas which he perceives in his Unit. Please do not go into great detail in your submissions, but define any problem areas and indicate the scope and severity of these problems. The DTR can then make a judgment on the need for a more thorough review based on these submissions.

2. This is to remind you that the statements are due STATINTL on 1 November 1975. Please send them to [REDACTED] by that date.
